Sports and the Media

Want to be a sports journalist or just a more well-rounded fan? This online course, taught by ex-sports editor and USA Today journalist **Mike Chesnick**, will help you see sports and the media in a more critical and engaged manner.

- Learn how teams and athletes (**LeBron James**, above) can control a story.
- Debate ethical dilemmas facing reporters, credibility of anonymous sources.
- Know how gender, race and bias can affect sports coverage.
